Grace Art Camps Confidential Scholarship Application

2024 SCHOLARSHIP APPLICANTS ONLY:

I have already completed camp registration with the required \$30 registration deposit for scholarship applicants.

Grace Institute believes in making camps available to all who want to attend. Scholarships are awarded without regard to race, religion, sex, national origin, sexual orientation or status. We offer full and partial scholarships. Successful applicants generally fall below the 300% of the federal poverty guidelines. An application does not necessarily guarantee an award.

Grace Institute is dedicated to the work of racial equity through self-assessment and accountability to expand our inclusive and diverse community. Part of this work is to gather data on what racial and ethnic groups we currently serve. Please help us by identifying the option that best applies to your camper.
